Match 3 - Cute Pack

Match 3 - Cute Pack is a unity asset pack containing 2D Match 3 Cute 'Block' elements in transparent .**PNG** format. The 2D elements are perfectly suited for Match 3 type games, but not limited to those only, the 2D elements can also be utilised in other 'block' based games, for instance, physics blocks (removal / building, etc), block 'crush' games (for instance, 'Diamond Dash' as an example), or in whatever form your personal requirements are for your projects.

Match 3 - Cute Pack contains many face and block types, each set also comes with extra variations.
